Between Glass Block**

# Ready 4 Tile Glass Block Shower Detail

**Passes the test of time:** These Pans and Wallboard are manufactured in Germany by Wedi® Corp and has had well over 20 years of success as a waterproof substrate.

**Huge labor Savings:** This product is easy to handle. It cuts with a utility knife or handsaw.

**Chemically Inert:** The product has no food value to attract Mold or Mildew

**Has an R-Value of 4.3:** Offers a great thermal value for exterior walls as well as a 30% energy savings for radiant heating systems.

**Pan and Wallboard is 100% Waterproof:** Tested and demonstrated to be waterproof using ANSI 118-10-1193. With proper treatment of joints, the product forms a waterproof barrier without any additional waterproofing membrane.

**What is it?** The core consists of 100% waterproof extruded Polystyrene throughout the whole structure. The surface is a polymer-modified mortar, with a texture provided by the fiberglass mesh for a superior tiling surface.

**5-Year Limited Warranty:** Wedi the Manufacture offers a 5-year limited "no-nonsense warranty, if properly installed by it's recommendations.

**Testing:** Has been tested according to ASTM and ANSI test methods, approved by ICC Evaluation Reports, considered in the TCA Handbook for ceramic tile installations 2004/2005 and listed by Omega Point.

**Ready-4-Tile is a trademark owned by Seattle Glass Block 1-800-829-9419**

**Ready 4 Tile Glass Block Shower Kits are complete with:**

- Custom Shower Pan and Curb with Drain
- Wallboard and Sealant
- Modular Glass Block Walls and All Accessories
